St Andrew's renews growth focus with appointment of a Career Banking Executive

St Andrew's Insurance has renewed its focus on growth with the appointment of Peter Thomas to a newly created Senior Manager, Strategic Alliances role.

Mr Thomas brings to the position 39 years of banking and finance experience at Westpac across a diverse range of positions.

For the past five years he held the position of Westpac's Director Corporate Banking, which was primarily a business development position targeting large companies, prior to which he held senior positions in the Corporate and Institutional Banking, Transactional Banking and Product and Operations.

St Andrew's CEO, Renato Mazza, said Mr Thomas' skill set will be a valuable asset to the business as we continue to look for growth opportunities.

"St Andrew's Insurance is focused on significantly growing the business; Mr Thomas' appointment brings not only extensive business development experience but in-depth banking experience to the team," Mr Mazza said.

Mr Thomas said he was excited to be joining St Andrew's Insurance during a growth phase and was looking forward to identifying new opportunities and areas for growth.
